PRODUCT DIMENSIONS AND BREAKAWAY

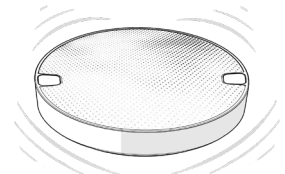

READ, THEN KEEP THESE INSTRUCTIONS FOR FUTURE REFERENCE

For more installation instructions, please consult your local building codes.

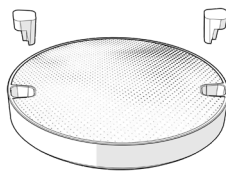

1. Pour the desired deck material to be used into the fillable cover.

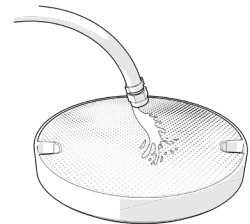

2. Agitate to settle the desired material.

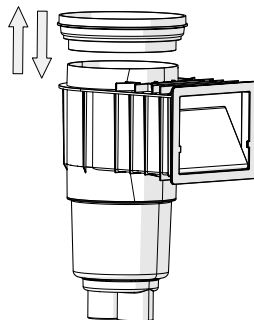

3. Remove orange plaster shields.

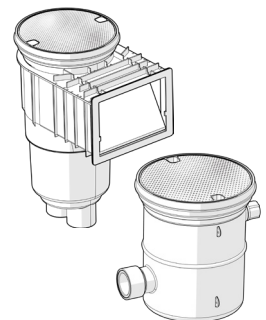

4. Gently wash and clean excess material from fillable cover and let dry.

5. Place the frame on the skimmer/autofill and set to desired elevation and level.

6. Install and secure the cover with the screws provided. Each cover is now ready to be easily removed and walked upon.
