

KREEPY KRAULY®

AUTOMATIC INGROUND POOL CLEANER

Classic performance

The Kreepy Krauly Cleaner is relentless in its pursuit of dirt and debris. It methodically traverses your pool walls and floor, meticulously vacuuming away dirt and debris, leaving no area of your pool unattended. With only one operational moving part, you'll experience years of faithful service without stressing about replacement parts or waning performance. And best of all, the Kreepy Krauly Cleaner works automatically, freeing you up to get back to what's important: enjoying your pool.

- Designed for greater cleaning coverage from water line to pool bottom.
- Powerful suction makes removal of both large and small debris a cinch.
- No wheels, gears or diaphragms to continuously replace or repair.
- Regulator valve automatically adjusts water flow to set the ideal speed for maximum cleaning performance.
- No expensive, energy-draining booster pump to buy, saving you significantly on your utility bills.
- Installs in minutes with no tools required.
