

# Ocean Current

## 54" HYBRID POOL PACKAGE

POOL & SKIMMER INCLUDED

54" WALL WITH 7" RESIN TOP RAILS AND 7" STEEL VERTICALS WITH BEAUTIFUL RESIN TOP CONNECTORS.

- o **Ocean Current walls** are made from heavier **copper bearing steel** than industry standards - 30 to 60 pounds heavier than the competition. Weigh the difference!
- o **Resin top rails** are extruded giving them a smooth finish and increasing durability by eliminating top rail rocking for maximum strength.
- o **Steel verticals are up to 50% heavier** than the competitors. This ensures maximum stability.
- o Sophisticated, silver-tone colored resin top connectors.

- o **Compac Supports** extend only 9 inches beyond the sidewall, not the standard 36 inches used by competitors. This accommodates larger pool models in smaller backyards.
- o **30 year warranty.**

- o **Standard Thru-Wall Skimmer**

### Available Sizes
