Others can claim it. Meyco owns it.

Others may claim it, but in 1957, Fred J. Meyer, Jr., the founder of Meyco Products, invented the safety pool cover. In 1960, he was awarded a U.S. patent for his groundbreaking design. With more than 60 years of innovation under our belts, you can have confidence that a Meyco cover will out-perform the competition, every time.

Custom Design

Meyco's in-house design engineers can tailor a cover for even your most unique poolscapes. Raised walls, elevated spas, vanishing edges, secret grottos, in-pool fountains – even multi-level pools are protected with Meyco covers. Plus, our patented PolyGuard custom fit means no gapping, no messy ropes or pillows, no wrinkles and no unsightly water bags.

12-Year Warranty

Our consistent manufacturing processes ensure your Meyco pool cover will fit perfectly and last over the long haul. That's why we offer one of the most generous warranties in the industry. Every Meyco cover is backed by a 12-year warranty. Our covers are built tough and last long.

PermaGuard solid covers need regular maintenance to keep cover clear of accumulated leaves and debris. Available with Drain Panels.

Restoration and Repair

If your Meyco cover just needs a little TLC, we'll send a Meyco Restoration Kit straight to your front door (or your Meyco dealer's front door). Your Restoration Kit includes a return-ship box for easy packaging, all labels, plus a handy set of cover folding guidelines.

Our Restoration Center's 21-point restoration process includes a detailed inspection and thorough review of cover "trouble spots." Meyco's restoration team repairs areas of wear and tear so that your Meyco cover returns home as good as new or recommends a new Meyco cover to protect your family and your backyard masterpiece.
