

access for all

The water provides therapeutic benefits that enhance quality of life outside the pool. We believe these benefits should be available to everyone, and offer a full line of third-party tested and verified ADA compliant pool lifts to help ensure everyone can get in and out of the pool safely. At the forefront of educating the pool industry about ADA swimming pool accessibility, we have developed educational tools available on our website, and a pool lift configurator to help with lift selection.

PRODUCTS FOR EVERY POOL

S.R.Smith accessibility products range from the Mobile Aquatic Chair (MAC) to a wide range of fixed pool lifts—both anchored and portable. Our pool lifts come in a variety of styles including Hi/Lo models for facilities with in-ground pools and raised spas, as well as Extended Reach models for pools with parapet or wide gutter configurations.

SELECTING THE RIGHT LIFT

Which pool lift is right for your pool? Determining the answers to these questions, and using our online pool lift configurator will help you hone in on which lift style is right for you. A completed S.R.Smith pool or spa deck profile sheet is essential with every order—srsmith.com/LiftProfile.

STANDARD FEATURES ON ALL ADA COMPLIANT MODELS:

- 5 year structural warranty
- Patent pending LiftOperator® Intelligent Control
- A water-resistant user hand control
- Rechargeable battery
- Battery charger
- Battery cover
- Footrest
- Seat belt assembly

ONLINE ACCESS ACADEMY

Splash!™ SERIES

This fixed lifting system is designed for facilities seeking to provide user-friendly access to their swimming pools.

- Third-party tested and verified ADA compliant
- 400 lb/181.5 kg lifting capacity*
- Includes stainless steel anchor socket with cap
- 344° rotation
- Powder-coated stainless steel and aluminum construction
- LiftOperator® Intelligent Control—includes 24 volt rechargeable battery

**Lifting capacity of the Extended Reach and Round Post models are 300 lb/136 kg*

Splash! variations:

- **Splash! Hi/Lo**—Useful for facilities that have both in-ground pools and raised spas.
- **Splash! Spa**—Designed for raised spas.
- **Splash! Extended Reach**—For gutter configurations requiring a longer reach to the water line.
- **Splash! 300**—300 lb/136 kg lifting capacity. Can be installed by core drilling, with no additional footings required on a standard four-inch reinforced deck.
- **Splash! Round Post**—300 lb/136 kg capacity. Designed for retrofit in an existing round anchor. Fits a 1.92" diameter anchor, but can be used in a variety of sizes with our anchor adapter.
