Thank you for your choosing E-Z Test Pool Supplies for your inground vinyl liner replacement project. It is our goal to make this process as easy as possible and to help at every step along the way. If at any point you need assistance, please give our customer service team a call at 877-209-7773.

How to Order a Custom Inground Vinyl Liner

1. **Schedule a Consultation with Our Liner Experts**

When you schedule a consultation, our liner experts will walk you through the process of measuring and creating the right liner for your specific pool. The necessary forms and materials will be emailed to you at this time.

2. **Measure Your Pool**

This may seem overwhelming and stressful but our team ensures that we are with you each step of the way. We have created a helpful video on the process which can be found here: <https://vimeo.com/685653394>

3. **Submit Your Measurements and Options**

When you submit your measurements and choices, our liner team will review your submission and prepare your quote. At this time, all measurements and options should be finalized.

4. **Ordering and Manufacturing**

Our team will place the order for your liner and your liner production will begin. The liner will be delivered to you once it has been completed to your specifications. Once it arrives, you can begin the liner replacement process. We have created a helpful video that showcases this process: <https://vimeo.com/685653394>

5. **Job Well Done!**

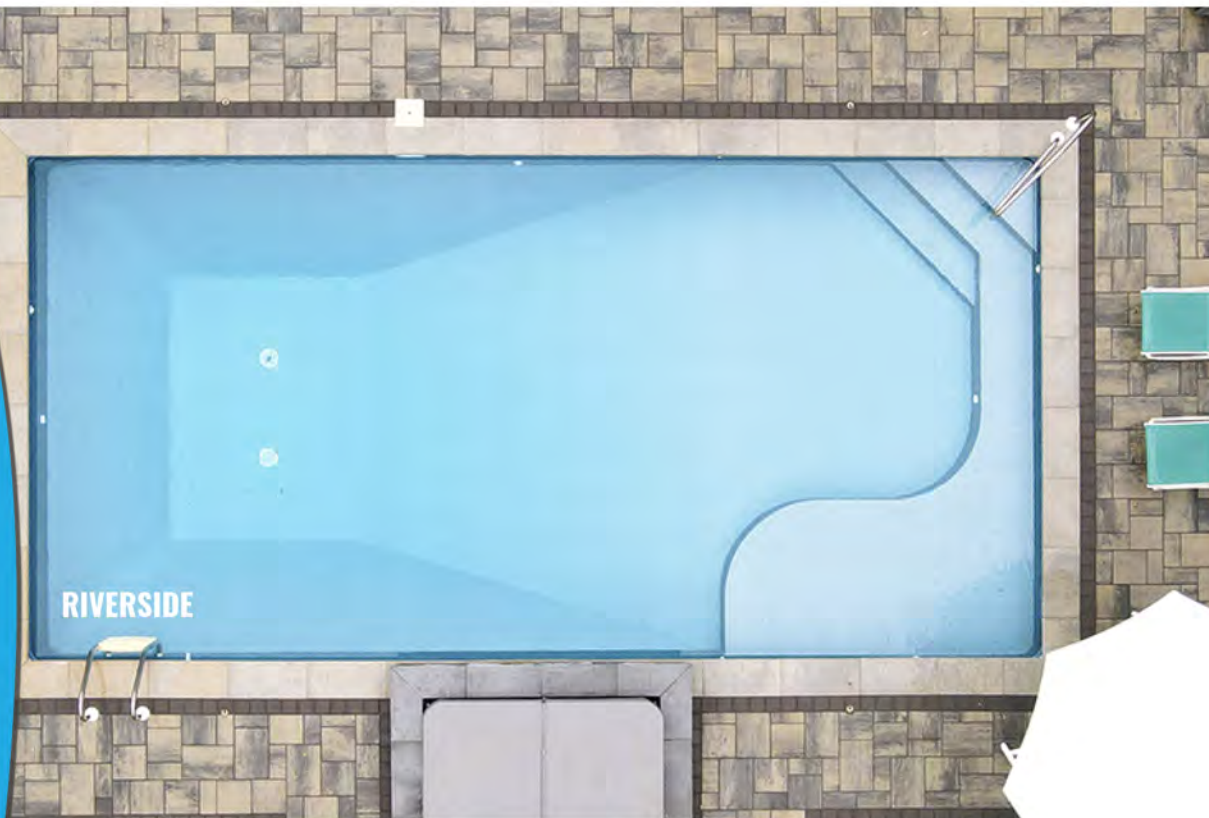

Once your new liner has been installed it's time to kick back, relax, and enjoy! Give yourself a pat on the back as another DIY project has been completed!

Thank you again for your valued business. If you have any questions or concerns, please contact us.

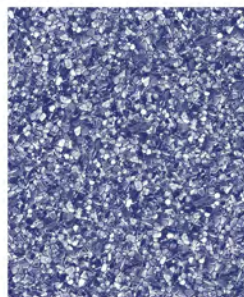

Regards,

INGROUND VINYL LINER WARRANTY

The manufacturer warrants the vinyl liner to be a product of the finest workmanship. Subject to the conditions set herein, the manufacturer agrees at its option to replace or repair, exclusive of installation, labor charges, cost of replacement water or chemicals, F.O.B its factory, any liner which separates at its seam from the original date of purchase within the warranty periods listed below. After the full warranty period expires, the same will be supplied or repaired, at the manufacturer's option, upon payment of a charge in accordance with the then retail selling price. The following schedule sets forth the percentage of the retail price according to the type of liner purchased.

STANDARD WARRANTY: 25-YR LIMITED WARRANTY / 3-YRS FULL

First 3 years-----	0%
4 to 10 years-----	50%
11 to 25 years-----	75%

PREMIER VALUE SERIES: 20-YR LIMITED WARRANTY / 1-YR FULL

First year-----	0%
2 to 5 years -----	50%
6 to 20 years -----	75%

Although any warranties implied are limited to stated period after the date sold to the original purchaser, some states and/or provinces do not allow limitations on the length of time of an implied warranty. Therefore, the above may not apply in such states and/or provinces. Any claimant under this warranty has specific legal rights and the provisions in the warranty are neither a modification nor subtraction, but rather, an addition to the statutory warranties and other rights and remedies contained in the applicable state or provincial legislation.

GLI inground vinyl liners are intended for use in Residential swimming pools only. GLI inground liners do not meet ANSI/APSP-1 2003 Standards for Public Swimming Pools and are not intended or authorized for use with public and/or commercial swimming pools.

Manufacturer will not be liable for any incidental or consequential damages resulting from any defects in workmanship or material. Some states and or provinces do not allow the exclusion or limitation of incidental or consequential damages, therefore the foregoing limitation or exclusion may not apply.

This warranty gives the original consumer purchaser specific legal rights. The purchaser also has implied warranty rights. In the event of a problem with warranty service or performance, you may be able to go to a small claims court, a state court or a federated district court.

This warranty is to be used only by the original retail consumer purchaser. In most cases defects show up almost immediately. Mechanical damages (rips, tears, punctures) of any kind are not covered by this warranty. This warranty does not cover, nor is it limited too, negligence, improper installation, wind or ice damage, accidents, acts of God, or improper chemical utilization. Irregularities in printing, fading or damage resulting from acts of others, including improper handling and storage are specifically excluded. As material used in pool liners are not produced by us, any failures due to material defects are to be referred to the manufacturer of such material. The warranty is void against shrinkage if pool is emptied: pool should be cleaned with proper filtration and chemicals.

If the liner should fail, the failure must be reported to the manufacturer. Once a serial number and a cut-out of the defective area, or the liner itself is returned, freight prepaid to our factory, we will contact the consumer owner as to our findings to their claimed defect. Any new liner shall be shipped freight collect. If the liner needs to be returned for inspection, a Return Goods Authorization will be issued. It will instruct you to return the liner, prepaid to the factory in a dry, reasonably clean condition for inspection. The defect must be clearly marked with tape. Upon receipt of the liner, we will inspect it and notify you of our determination within two (2) weeks. Only an authorized employee of the manufacturer will make the determination of warranty questions. If it is not warrantable, it will be disposed of unless we have been instructed otherwise.
